# Who are we?

Trades Recognition Australia (TRA) is a skills assessing authority that works within the Australian Government Department of Employment and Workplace Relations (the Department). We assess skills for Nominated Occupations listed under the [Migration Regulations 1994](#).

Our assessments confirm that you can perform at the required skill level for your Nominated Occupation. They also make sure that your training and experience align with the correct standards for working in Australia.

We operate several different skills assessment services. Your eligibility for these depends on your occupation, your country of origin, what and where you studied and the type of visa you are applying for.

This document outlines the steps you need to take to apply for our Temporary Skills Shortage (TSS) Skills Assessment Program. It does not include specific information on visa or points requirements for migration.

If you have any questions about migration and visa requirements, please contact the Australian Government Department of Home Affairs ([Home Affairs](#)).

# 3. The Program steps

Each step of the Program has specific requirements and processes. It is important that you read each step carefully and are confident that you meet all the requirements before you apply.

## Step 1 – Choose a TRA-approved Registered Training Organisation (RTO)

Choose a TRA approved RTO	Evidence Assessment	Technical Assessment	Program Outcome
 <p><b>You will need to:</b></p> <ul style="list-style-type: none"><li>• Use the RTO Finder on our website.</li></ul>	 <p><b>You will need to:</b></p> <ul style="list-style-type: none"><li>• Upload evidence documents to your chosen RTO's Portal.</li></ul>	 <p><b>You will need to:</b></p> <ul style="list-style-type: none"><li>• Pay for your assessment through the Online Portal.</li></ul>	 <p><b>You will need to:</b></p> <ul style="list-style-type: none"><li>• Have successfully completed the previous steps.</li></ul>

During this step, you will:

- Choose and contact a TRA-approved RTO.

### Eligibility

To apply for the Program, you will need to:

- Be employed or recently employed in your Nominated Occupation and have proof of employment.
- Be from a nominated country or Special Administrative Region (SAR).
- Have a current passport.
- Be able to travel to an approved assessment venue if required.

### Process

The Temporary Skills Shortage Skills Assessment is done by a TRA-approved RTO who will recommend an assessment outcome. This outcome will then need to be approved by TRA.

You will need to use the [RTO Finder](#) to search for your Nominated Occupation, then choose a corresponding RTO.

Once you have chosen your RTO, you will need to **contact them directly**. They will check your eligibility, your overall requirements and tell you what evidence you need to provide.

They will also provide you with a unique [RTO Assessment Payment Identifier Code](#). You will need to obtain a Payment Identifier Code for each step of the assessment process.

### Outcome

Once you have chosen and contacted an RTO, they will advise you on the documents that you need to submit in Step 2.

## Step 2 – Evidence assessment

### Choose a TRA approved RTO

#### You will need to:

- Use the RTO Finder on our website.

### Evidence Assessment

#### You will need to:

- Upload evidence documents to your chosen RTO's Portal.

### Technical Assessment

#### You will need to:

- Pay for your assessment through the Online Portal.

### Program Outcome

#### You will need to:

- Have successfully completed the previous steps.

The evidence assessment step will:

- Confirm that your documentary evidence shows that you have the required skills and experience to continue to the next step of the Program.
- Be carried out by a TRA-approved RTO.
- Review your documentation.

### Fees

- The fee to submit documentary evidence for assessment is \$1,120.
- If required, a review will require an additional fee of \$700, and a reassessment will require an additional fee of \$450.

### Process

You will need to upload the following documents with your online application to your chosen RTO's Portal:

- [Passport identification page.](#)
- Qualifications.
- Evidence of your skills and experience.
- Your Payment Receipt from our Online Portal.

#### Documents not in English

If your application documents are not in English, you must provide an English translation.

Translations done in **Australia** must be carried out by translators accredited with the National Accreditation Authority for Translators and Interpreters (NAATI). These must include the translator's name, NAATI identification number and accreditation status.

Translations done **outside Australia** must be approved by the correct authority in the country where the translation was made. If you're unsure about the approval process, contact the nearest Australian Embassy, High Commission or Consulate for advice.

Your RTO will advise you on which documents to include regarding your qualifications, skills and experience. Please note, you will need different documents depending on your Pathway. These requirements are outlined below:

### Pathway 1

You will need to show that you have skills and experience in your Nominated Occupation or an occupation directly related to it.

You must prove you have completed full-time paid employment or equivalent in your Nominated Occupation based on the following:

- Licensed trade with no formal training – 6 years' work experience.
- Licensed trade with formal training – 4 years' work experience.
- Non-licensed trade with no formal training – 5 years' work experience.
- Non-licensed trade with formal training – 3 years' work experience.

### Pathway 2

You will need to show that you have skills and experience in your Nominated Occupation or an occupation directly related to it. You will also need to show your VET qualifications or relevant Australian licences.

Your RTO will advise you on which documents to submit, including your [Australian Qualifications Framework \(AQF\)](#) statement of attainment or relevant Australian licences.

While your RTO will advise you on which documents you need to submit, it is your responsibility to make sure all your documents are **decision ready**.

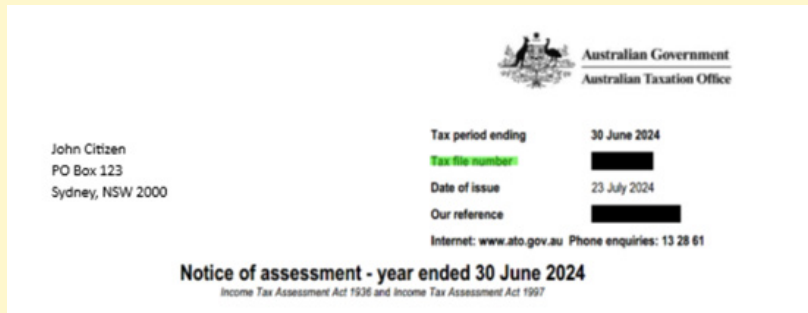

#### Is your application 'decision ready'?

A 'decision ready' application means you have filled out all mandatory fields, provided all the necessary documents and paid any application fees. If your application is not 'decision ready', it may delay the process.

### Personal information

You must make sure that any sensitive information, such as your Tax File Number or bank account details, is deleted or not visible (covered) on documentation before you provide it to TRA. You must also remove any personal information that is not related to your TRA skills assessment, including, for example, any bank account transactions that are not salary deposits.

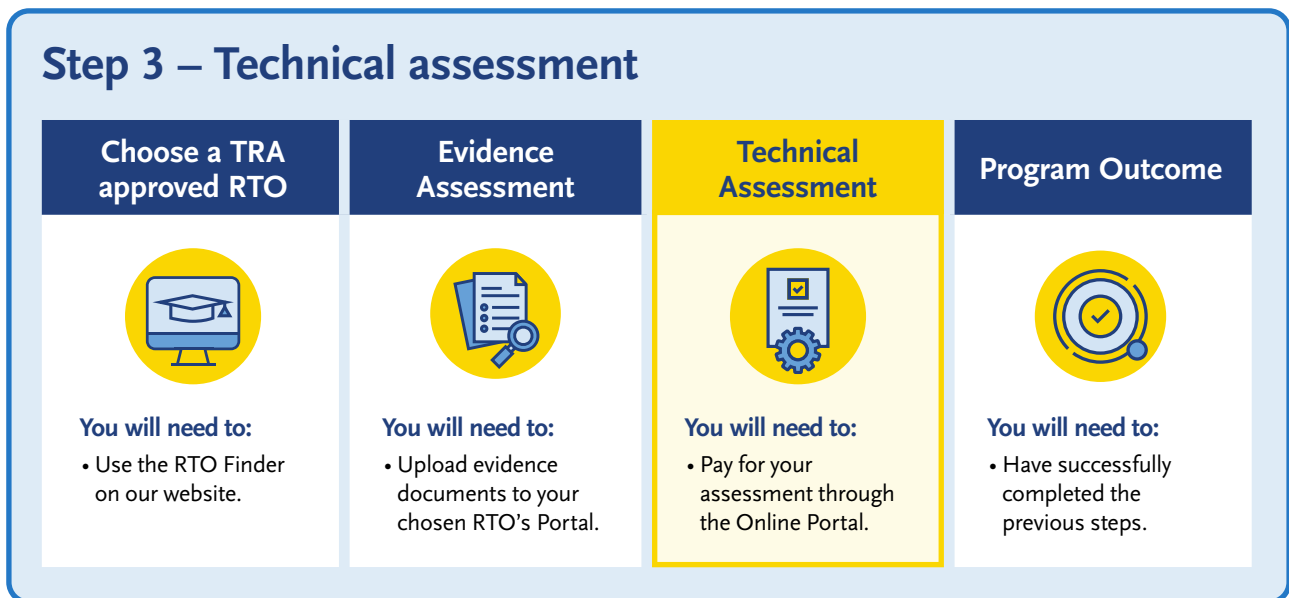

If your chosen RTO needs any additional information or evidence, they will request it via your registered email address.

### Outcome

If the documents you submit prove that you have the necessary skills and experience for your Nominated Occupation, you will be moved on to the next step, the technical assessment.

If the documents you submit do not meet the requirements of your Nominated Occupation, the RTO will advise you on how to address any skill gaps.

## Step 3 – Technical assessment

The Technical Assessment step will:

- Confirm that you can undertake the full range of tasks expected of a tradesperson in Australia for your Nominated Occupation.
- Be carried out by a TRA-approved RTO.

### Fees

Before you can start your technical assessment, you must make a payment through our Online Portal.

Your RTO will give you a Payment Identifier Code, and you must log in using the same credentials you used to register and pay for your documentary evidence assessment on our Online Portal.

The RTO will discuss the assessment requirements with you before conducting the assessment and you will need to agree that you can meet these requirements before you make the payment.

- The fees for the technical interview are **\$2,000 for Pathway 1** and **\$900 for Pathway 2**.
- If you require a practical assessment, the fee for this is **\$2,200**.

If you fail to attend the assessment without giving notice, this may result in withdrawal and forfeiture of your fee.

## Process

Your RTO will assess whether your skills match your Nominated Occupation and if you can perform all the tasks expected of a qualified tradesperson in Australia.

The technical assessment will be done by a qualified assessor who will also be a qualified tradesperson in your Nominated Occupation.

### Online technical assessments

If appropriate, the technical assessment can be done online with an invigilator. You will need to meet the following minimum requirements.

- All online technical interviews must be conducted on a laptop, notebook or desktop computer. Smartphones and tablets will **not be** accepted.
- The internet connection must have a minimum of 10 Mbps download speed and 5 Mbps upload speed.
- All technical assessments will be done in English without assistance. Interpreters **are not** permitted.

You may need to travel to an assessment venue in a nominated country. If so, it is your responsibility to ensure that you have the correct visa to travel.

Please note, the requirements for your technical assessment will depend on your Pathway. These requirements are outlined below:

### Pathway 1

The assessor will check if you meet the requirements of the relevant VET qualification in the Australian Training Package for your Nominated Occupation.

This will include a technical interview and may involve a practical demonstration of your skills. Assessors may rely on evidence from your employer or referee.

If you are applying for a licensed occupation, a practical demonstration of your skills is compulsory.

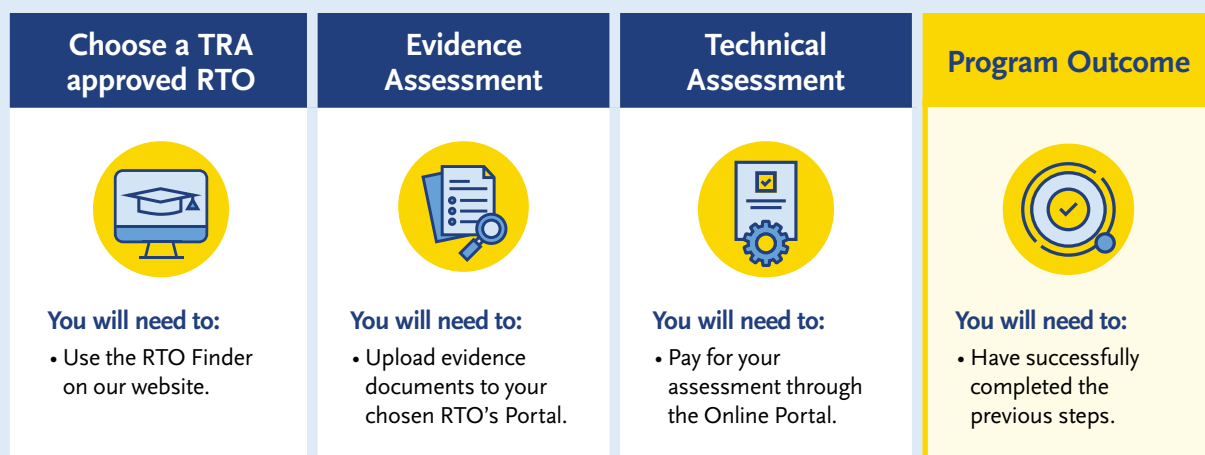

### Pathway 2

The assessor will check if you can undertake the full range of tasks expected of a tradesperson in Australia for your Nominated Occupation.

This will include a technical interview of skills and evidence from your employer or referee.

Your RTO will discuss the assessment requirements with you beforehand.

## Step 4 – Program outcome

This is the final step of this Program.

### Process

You will have met the TRA standards for this program if:

- All your submitted evidence is verified by the RTO and meets the skill assessment requirements.
- You have successfully met the requirements of the technical interview and practical assessment (if required).
- We agree with the RTO's recommendation for a successful outcome.

### Outcome

#### Pathway 1

If successful, you will receive an outcome letter, which you can present to Home Affairs with your visa application.

If you nominated a non-licensed occupation, you will also be awarded the relevant Australian VET Qualification.

If you nominated a TRA-licensed occupation, you will be issued an Offshore Technical Skills Record.

You can use this to apply for a provisional or restricted licence with Australian state and territory licensing authorities. If you wish to be awarded the relevant Australian VET qualification, you will need to complete Australian context gap training and a period of supervised employment. You can find more information about this on the TRA [Licensing page](#).

#### Pathway 2

If successful, you will receive an outcome letter, which you can present to Home Affairs with your visa application.

### Review and Reassessment

If you disagree with the outcome of your final assessment, your outcome letter will contain information on how to apply for a review. You can find our [Review Policy](#) on our website. Please ensure you read the review policy to meet the criteria and eligibility requirements before you apply for a review.

If your original skills assessment identified skill gaps and you have since addressed these gaps, you may apply for a reassessment. Reassessment applications must be lodged within **12 months** after receiving your original outcome letter. To start the reassessment process, you will need to pay a reassessment fee via our [Online Portal](#).
